CONSTRUCTION ALERT
Upcoming Trolley Station and Road Closures

TROLLEY RENEWAL

Trolley Renewal Construction Continues in Downtown San Diego

The next phase of the Trolley Renewal construction in downtown San Diego will include temporary closure of some stations, service interruptions on selected weekends, and some short-term road closures. *Access for residents and businesses will be maintained. Signage will be placed to alert patrons and residents to temporary detours.*

AMERICA PLAZA STATION UPGRADE

- Station platform has been reopened.
- Phase II work necessitates the closure of northbound lanes on Kettner Blvd. beginning January 9 through February 2012.
- Access to businesses and pedestrians will be maintained.

CIVIC CENTER STATION TRACKWORK UPGRADE

Due to the high probability of rain in the forecast, the weekend work window for Civic Center has been postponed to the weekend of 1/27/12 through 1/29/12.

- Weather permitting, the Civic Center Station (On C Street between 2nd and 3rd) will be closed for renovation the weekend of 1/27/12 through 1/29/12. *The weekend construction work will begin on Friday at 10 p.m. and end Monday at 4:45 a.m.*
- Demolition and replacement of the Civic Center Station track and pavement is scheduled to occur from 1/27/12 through 1/29/12. Additional pavement construction at Civic Center Station is tentatively scheduled for 1/30/12 through 2/5/12 from 6 p.m. to 4 a.m. Final construction and cleanup work is tentatively scheduled from 2/6/12 through 2/10/12, from 6 p.m. to 4 a.m.
- This work will necessitate road closures at the intersections of 1st Ave. & C St., 2nd Ave. & C St. and 3rd Ave. & C St. Access to businesses and pedestrians will be maintained.

C STREET (COLUMBIA) TRACKWORK

Due to the high probability of rain in the forecast, the weekend work window for C Street has been postponed to the weekend of 1/27/12 through 1/29/12.

- Construction will occur around the clock the weekend of 1/27/12-1/29/12, beginning at 10 p.m. on Friday and ending at 4 a.m. on Monday. *Access for businesses and pedestrians will be maintained.*

FUTURE CONSTRUCTION: ADDITIONAL DOWNTOWN STATIONS

- The Gaslamp Station will be under construction from late January through early May 2012. *There is limited evening construction anticipated and access to station, residences, and businesses will be maintained during construction.*
- The County Center/Little Italy Station is anticipated to be closed for renovation from early February through March 2012. *Limited evening construction is anticipated.*
- The Santa Fe Depot Station is anticipated to be under construction from early February through May 2012. *Access to station, residences and businesses will be maintained during this construction.*
- The Seaport Village Station is anticipated to be closed for renovation from early February through early April 2012. *Limited evening construction is anticipated.*
- The Convention Center Station is anticipated to be closed for renovation from early April through May 2012. *Limited evening construction is anticipated.*
